PROFILE

Enthusiastic Frontend Developer with a strong foundation in React and a passion for learning and exploration. Proficient in building dynamic and responsive user interfaces using modern web technologies such as HTML5, CSS, and JavaScript. Experienced in developing reusable React components, managing states, and integrating with RESTful APIs. Eager to expand my knowledge and expertise in frontend development and contribute to innovative projects that push the boundaries of web technology.

EDUCATION

B.tech

Ajay Kumar Garg Engineering College , Ghaziabad (U.P)
2022 - present

Intermediate

Macro Vision Academy , burhanpur (M.P)
2019 - 2021

PROJECTS

Nike-store

A React shoe e-commerce application with CRUD operations for managing products, enabling users to browse, purchase, and administer shoe products seamlessly.

github : github.com/shreyash776/Nike-store

Weather-App

A weather app providing real-time weather updates with intuitive user interface and location-based forecasts. Seamlessly integrating weather data APIs, it offers users accurate weather information.

github : github.com/shreyash776/weather_app

Portfolio-website

A sleek portfolio website built using React, adorned with captivating animations to showcase your work and skills creatively. It offers an engaging user experience, accentuating your talents and projects effectively.
